That is good to know.

I don't have a recent 2 pager. There was a fact sheet from 2017. A lot has happened since 2017 and this upcoming public meeting will be for the proposed plan.

Thanks,

Josh

Good news is that you should be in pretty good shape for this.

One additional question, do you have a public fact sheet for the site? Like a 2 pager?

FYI, I am very hands on with community relations. Not sure how to do a remote public meeting, but sure it can be done with a small crowd.

Hi Doug,

See below for my responses.

- 1) Who is your community interaction person in PAO? Shereen Kandil
- 2) Do you have an oversight contractor? Is there a task order for community relations? Yes, our contractor is WSP/LGB and I believe there is a task order for community relations.
- 3) Is there a community interaction Plan yet? No plan yet
- 4) When are you thinking of holding the meeting? It will likely be June or July

Hi Doug,

I need to start planning for a public meeting for Riverside but I am not sure how to start the process. Michael suggested that I talk to you. How did you initiate your CIP for Berrys Creek?

Thanks,

Josh
